IN REPLY PLEASE

REFER TO FILE: **AE-3**

The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, CA 90012

Dear Supervisors:

**JOB ORDER CONTRACT FOR
REPAIR AND REHABILITATION OF PUBLIC WORKS FACILITIES
ADOPT AND ADVERTISE
SPECS. VARIOUS
ALL SUPERVISORIAL DISTRICTS
3 VOTES**

IT IS RECOMMENDED THAT YOUR BOARD:

Adopt the Job Order Contract Unit Price Book and Specifications and instruct the Executive Officer to advertise for bids to be received on April 29, 2003, in accordance with the enclosed "Instruction Sheet for Publishing Legal Advertisements."

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

We are recommending that your Board authorize the Director of Public Works to use the JOC for the repair and rehabilitation of Public Works' facilities not to exceed \$2 million. The JOC will augment Public Works ability to effectively and efficiently respond to facility repair demands, facility alterations, and rehabilitation projects under the direction of the Director of Public Works.

The JOC is a cost-effective unit price contracting technique to accomplish repair and refurbishment of County facilities without extensive plans and specifications. Public Works has used 12 previous JOCs to repair or refurbish County buildings. This relatively simple and straightforward process reduces administrative requirements and lowers direct construction costs, while meeting all Federal, State, and County procurement requirements.

On October 8, 2002, your Board authorized the Director of Public Works to award a one-year JOC for a not to exceed fee of \$3 million. The entire amount has been allocated for capital or refurbishment projects and earthquake repairs in the courts, health, justice, and general project areas. On February 18, 2003, your Board adopted the unit price book for a new JOC for additional capital project related work and instructed the Executive Officer to advertise for bids to be received on April 29, 2003.

This JOC will be utilized to provide tenant improvements to various Public Works facilities not to exceed \$2 million.

This JOC will be utilized for lead-based paint stabilization, painting of stabilized surfaces, removal and replacement of existing lights, conduits, associated wiring, and the installation of energy-efficient halogen lights at various Public Works facilities not to exceed \$2 million. The Public Contract Code Section 20128.5 allows individual JOC contracts to have a one-year term and a maximum value of \$3 million.

Implementation of Strategic Plan Goals

This action meets the County Strategic Plan Goal of Service Excellence and Organizational Effectiveness as this construction contract will improve public facilities and restore them fully into service sooner than with traditional construction contracting.

FISCAL IMPACT/FINANCING

The contract will be administered by Public Works. There will be no impact to the County's General Fund. Funds are available in Public Works' 2002-03 Budget to cover the cost of this JOC contract. Work will not be assigned to the JOC Program without the prior review and approval from the Director of Public Works.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

A standard contract, previously approved by County Counsel, will be used. The standard Board-directed clauses that provide for contract termination, renegotiation, and hiring qualified displaced County employees will be included in the contract.

The project specifications contain provisions requiring the contractor to report solicitations of improper consideration by County employees and allows the County to terminate the contract if it is found that the contractor offered or gave improper consideration to County employees.

The Honorable Board of Supervisors
March 6, 2003
Page 3

As requested by your Board on August 12, 1997, and as a threshold requirement for consideration for contract award, bidders will be required to attest their willingness to consider Greater Avenues for Independence Program/General Relief Opportunity for Work participants for future employment.

The State Labor Code requires contractors to pay prevailing wage rates to all persons employed on Public Works contracts.

As required by your Board, language has been incorporated into the project specifications stating that the contractor shall notify its employees, and shall require each subcontractor to notify its employees, that they may be eligible for the Federal Earned Income Credit under the federal income tax laws.

Bidders will be required to be in full compliance with Los Angeles County Code Chapter 2.200 (Child Support Compliance Program) and Chapter 2.203 (Contractor Employee Jury Service Program).

To ensure that the contract is awarded to a responsible contractor with a satisfactory history of performance, bidders are required to report violations of the False Claims Act, their civil litigation history, and information regarding prior criminal convictions. The information reported will be considered before making a recommendation to award.

ENVIRONMENTAL DOCUMENTATION

The implementation of each work order under this JOC shall be subject to a prior determination and documentation by Public Works that the work order is categorically exempt from the California Environmental Quality Act. In the event the work order is not exempt, your Board will be requested to approve the appropriate environmental finding and documentation prior to implementation.

CONTRACTING PROCESS

Advertising for bids will be in accordance with the County's standard "Instruction Sheet for Publishing Legal Advertisements" (enclosed).

As requested by your Board on February 3, 1998, the invitation for bids will be listed on the "Doing Business with the County" website.

The Honorable Board of Supervisors
March 6, 2003
Page 4

Public Works has evaluated and determined that the Living Wage Program (County Code Chapter 2.201) does not apply to the recommended contract as this contract is for non-Proposition A services.

Following receipt of bids, we will return to your Board for construction contract award.

Participation by Community Business Enterprises will be encouraged through Public Works' Capital Projects CBE Outreach Program and by monitoring the good faith efforts of bidders to utilize CBEs.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The use of this contract will expedite the completion of repair or refurbishment work managed by Public Works. Minor impacts to Public Works employees may occur while repair or refurbishment work is underway.

CONCLUSION

Please return one approved copy of this letter to Public Works.

Respectfully submitted,

JAMES A. NOYES
Director of Public Works

Bidders must comply with the provisions of the Bidding Requirements and General Conditions concerning bid guarantee, contract bonds, and insurance requirements. This project requires the prime contractor to possess a license classification of "B" at the time of bid submittal. The contractor should verify to his/her satisfaction that he/she holds the correct license for this type of project.

PRE-BID CONFERENCE

Public Works will hold a mandatory pre-bid conference at 9:00 a.m. on April 10, 2003, in Conference Room C, 900 South Fremont Avenue, Alhambra, California 91803, to provide information on the Job Order Contract, bidding process, and answer any questions that potential bidders may have. It is strongly recommended that the pre-bid conference be attended by a principal of the company or a person authorized to make decisions for the company.

OTHER INSTRUCTIONS

The County supports and encourages equal opportunity contracting. The contractor shall make good faith efforts, as defined in Section 2000 of the Public Contract Code relating to contracting with Community Business Enterprises.

The Board of Supervisors reserves the right to reject any or all bids or to waive technical errors and discrepancies in bids submitted in the public's interest.
